(8)成績評価の基準	To obtain an S-grade (90%-) students must participate fully, show they have a sophisticated understanding of the critical issues in the play and be able to express an original response with exceptional clarity. To obtain an A-grade (80%-89%) students need to demonstrate an excellent understanding of the major themes of the play and to be able to present their arguments in a clearly organized manner. Students will receive a B-grade (70%-79%) if they can show a good understanding of the play and express some clear opinions about at least one of the key questions. To obtain a passing or C-grade (60%-69%) students need to demonstrate a basic understanding of the play and be able to respond to simple questions about the plot and main characters.							
(9)事前事後学習の内容	予習復習の指示は、e-ALPSを通じて行います。Check the class eALPS page before and after every class for information on assignments and on any preparation that needs to be completed before the next class. ※この授業は90時間の学修を必要とする内容です。従って、60時間以上の時間外学習が必要となります。							
(10)履修上の注意	This class will entail working through a challenging text in a relatively short time. The pace of the class will be fairly fast and preparation will be very important. There will not be time to understand every word of the play. What will be far more important will be to think about the ideas and themes. Students should also bear in mind that the text is a dramatic work. Shakespeare intended what he wrote to be spoken by actors on the stage. Students will be asked to work actively in groups not only to read the play, but also to think about how it should be							

(10)履修上の注意	performed. During the orientation session the teacher will distribute a detailed plan for the term showing which scenes from the play will be read during each lesson. Students must pay very close attention to this plan so as not to waste time reading the wrong parts of the play. Please register on the class e-ALPS page where information and worksheets will be posted regularly.
